

Phyllis Hoffman  
**Celebrate**  
*Summer*

From "Dad's Day Luncheon", on page 28 of the Summer 2010 issue of Phyllis Hoffman Celebrate.

## *Golf Ball Centerpiece*

### **Things to gather:**

- Container of water (sink or bucket)
- Floral foam
- Clippers
- Carnations

To prepare floral foam, soak in water until foam is saturated. Clip carnation stems so they measure about 2 inches long. Insert the stems into the foam. Continue inserting flower stems until the foam is completely covered.
